

Brief Bio: Katrina Robinson-Wheeler, LMHC, LPC, MCAP, SAP

Katrina Robinson-Wheeler is the Community Liaison and Mental Health First Aid Instructor and Educator at Starting Point Behavioral Healthcare, a community-based behavioral health treatment agency in Northeast Florida, where she has worked for the past 16 years. Katrina has worked in several different capacities in the agency; 11 years as a therapist specializing in Women's treatment, and five years in management as the Behavioral Health Team Leader and Clinical Director. Katrina received her Masters in Mental Health Counseling in 2009 from Webster University, and is a Licensed Mental Health Counselor, Licensed Professional Counselor (state of Ga.), Master's Level Certified Addiction Professional and Substance Abuse Professional. Katrina developed and implemented Starting Points Women's Program in 2006. Katrina is a graduate of the National Council for Community Behavioral Health's inaugural Addressing Health Disparities Leadership Program in 2011-2012, and a graduate of the Leadership Nassau leadership program 2014. She has also been a part of the Partnership for a Healthier Nassau since its inception in 2010-2014. Katrina received the Professional of the Year awards for both Florida Alcohol and Drug Abuse Association (FADAA) and the Florida Certification Board (FCB) in 2007. . Katrina completed training to be a Mental Health First Aid instructor in February 2014 by the National Council for Community Behavioral Health and has trained 565 Mental Health First Aiders in the N.E. Fl. region. Katrina is currently the agencies board liaison on the Community Outreach/Education Committee since 2014 and is also a board member of the Nassau affiliation of NAMI and VP Board member of the Homeless Coalition of Nassau County. Katrina has worked in the behavioral health field for over 17 years and has been active in her community to help increase awareness of behavioral health issues and reduce stigma.
