

Naomi Dishington, Solutions Consultant

Naomi's background is in higher education, learning and coaching. She joined Workhuman in 2016 as a part of the Strategy & Consulting team, where she supported 30+ launches for Workhuman Cloud customers such as Akamai, CAE, Harman and Johnson & Johnson. Naomi's consulting expertise focuses on the human side of implementation: effective change management, evidence-based best practices, and communications and training initiatives that help promote adoption and drive business outcomes.

Omar Pradhan, Solutions Consultant

Omar is a seasoned HR/HRIS professional with nearly two decades of experience helping forward-thinking organizations invest in the future of work. He began his career leading high performing teams as a combat pilot and training operations director in the US Air Force. Next, Omar worked in a variety of research, strategy and consulting roles with Deloitte, Appirio and the NeuroLeadership Institute. Today, Omar is an educator, advocate and resource to leaders seeking to shape mindset on the power and potential of emerging culture management practices.
