

## **Michelle LeVecque, CWPC**

### **Health & Benefits Growth Leader - Florida**

#### **Relevant Experience/Specialization**

Michelle LeVecque has more than 25 years of health and benefits industry experience and serves as the strategic planning leader and senior consultant for her clients. She is based in Tampa and has a strong track record of improving the performance of clients' benefits plans.

She has extensive expertise in the strategic planning of health and group benefits programs with an emphasis on the evaluation, design, pricing and implementation of innovative health plans and incentive programs. She has assisted numerous clients with evaluating, monitoring and optimizing the performance of various health management programs including on site health services. Her client experience ranges from employers with 500 to 200,000 employees, including both private and public sector employers with active and retiree populations.

Michelle was previously with another national consulting firm where she was a Principal in the Health and Productivity practice and lead health and productivity consultant to numerous Florida-based clients. She also served as the Florida market leader, managing the firm's Florida-based operations.

#### **Role at Willis Towers Watson**

In addition to her consulting role, Michelle serves as the Health & Benefits Growth Leader for Florida.

#### **Education and Credentials**

Michelle holds a B.S. in Economics and Finance from Bentley University, and is a Certified Wellness Program Coordinator.
